

Showers and Window Sills

Elite Marble has great options for flat surfaces in your home, if you are looking for window sills or wall caps to match your vanity top, we can do them in any of our colors. For your shower, we offer a textured non-slip floor that can be mixed or matched with the walls to create a look all your own. There are options for seats, shelves and other accessories to finish out your look. On our website you can see the different options of showers, including Tyvarian(R), and check out our finished projects. We love being able to help with all your bathroom surfaces.

About Us

Elite Marble Company is located in Montello, WI. We manufacture bathroom and flat surfaces for your construction and remodeling projects; including vanity tops, window sills, shower bases and walls. Any other surface you can come up with, we can help. There are countless combinations of colors and styles you can choose to meet whatever design goals you may have. We strive for continuous improvement; our team is empowered to improve our processes to provide high-quality products through daily 2-second improvements. As we discuss daily in our meetings, everything is figureoutable. We put our customers first and like to have fun along the way. Follow us on our journey, we'd love for you to see the things we do every day, to make sure we're always looking forward.
